SALT Women's Bible Study

Anxious for Nothing - Finding Calm in a Chaotic World

Ladies, do you feel weighed down with worry? Does the uncertainty and chaos of life ever keep you up at night? Could you use some calm? In this Bible study, bestselling author Max Lucado explores God's treatment plan for anxiety found in Philippians 4:4-8. While anxiety may be a part of life, it doesn't have to dominate your life. Join us as we explore what it really means to live life as God intended with the peace that "transcends all understanding." \$8

Men's Bible Study

Authentic Manhood – A Man and His Work

God created man to work, and His Word instructs men on how to engage and enjoy work. This Bible study provides insight to ways men can find both their best fit and fulfillment in work. The study acknowledges the tensions and obstacles that men face and helps them move beyond the frustrations and dead ends. \$20

Prayer: Conversation and Encounter

Join Pastor Jamie and friends for this exciting new class on prayer. Together we'll discover that prayer is not the means by which we get more things from God, but the means by which we get more of God Himself. This course will emphasize prayer that impacts the circumstances and realities that surround us. Be sure to bring your Bibles! No charge for materials.

Youth Ministry (grades 6-12) and Children's Ministry for infants through fifth grade students.

These classes will conclude on April 10: SALT Women's Bible Study – Emotionally Healthy Woman; and Men's Bible Study – Authentic Manhood – A Man and His Traps.
